

The 22nd Annual
Contemporary
Therapeutic Issues in
Cardiovascular
Disease

SATURDAY May 4, 2019
THE FACULTY CLUB, University of Toronto
41 Willcocks Street, TORONTO, ON M5S 1C7

Presented by

Objectives

This program will provide practicing pharmacists with an opportunity to obtain a more comprehensive understanding of therapeutic issues in cardiac and vascular disease, to enable them to contribute positively to patient outcomes. Interactive workshop sessions will allow participants to apply newly acquired knowledge.

Registration

There is a non-refundable registration fee of \$125. This includes program educational materials, refreshments and meals. The final registration day is **April 29, 2019**. Registration is accepted on a first come, first served basis. Please note that space is limited. **There are TWO ways to register:**

- 1) Online at <https://www.eventbrite.ca/e/22nd-annual-contemporary-therapeutics-issues-in-cardiology-tickets-59232244237>
- 2) Mail your completed registration form and cheque for \$125 to Peggy Kee (see page 3 for details). Registration will be accepted only upon receipt of completed form and payment.

Accommodation

Registrants are responsible for arranging their own accommodation if required. Email Peggy Kee for suggestions at peggy.kee@sunnybrook.ca
