

## OBJECTIVES

This program will provide practicing pharmacists and students with an opportunity to obtain a more comprehensive understanding of therapeutic issues in cardiac and vascular disease, to enable them to contribute positively to patient outcomes. Interactive workshop sessions will allow participants to apply newly acquired knowledge.

## REGISTRATION

Register online at  
<https://ccpnfall2019.eventbrite.ca>

There is a non-refundable registration fee of **\$125 for pharmacists** and **\$75 for students**. Includes program educational materials, refreshments, and meals. Deadline: **September 15, 2019**.

If unable to attend in person, contact:  
[Lori.Albers@saskhealthauthority.ca](mailto:Lori.Albers@saskhealthauthority.ca) for Webex options.

## ACCOMMODATIONS

Registrants are responsible for arranging their own accommodation. To receive a CCPN Conference guest room rate visit:
